permitted to occupy the quarters free of rent; or whether any rent should be levied from them, nor do the files relating thereto seem to throw any light on the point. Anyhow the quarters seem to have been occupied free of rent till 1.5.03 when the D. C. Kolar ordered the levy of a small rent (Vide D.C.'s letter no. C. 1555 dated 6.5.03 to the Supdt of Police K.G.F.). The circumstances which led to the levy of this rent are detailed in the D.G.'s (Mr. Carr's) letter no. 7107-794 of 21.6.06 to Govt.

2) When enhanced rent came to be levied by the P.W.D in accordance with G.O. no. 291-324-2149-82 of 26.3.08 the occupants of the buildings approached the Supdt of Police with a memorial praying that they might be exempted from the payment of rent. The D.G. of Police supports their representation and recommends that their prayer may be granted.

3) It is a matter for consideration whether the D.G.'s recommendation may not be sanctioned in view of the following facts:—

"Subordinate officers of the Police Dept, and the Govt of India have also decided that if possible, free quarters should be provided for the families of such officers. The pay of the subordinate officers in the State is comparatively very low when compared with the pay of the corresponding officers in British India. In addition if a house rent be charged, the standard of comfort an officer can command will be lowered, and efficiency will accordingly suffer. In London, the Police are all housed, and an allowance called a "lodging allowance" is also given to married constables. The system of giving house rent is however objected by the Police commissioner on the ground that the men should not be far away from the station, but should be readily accessible.

6) The Dy's proposal seems therefore very reasonable, and it is a point for orders whether the same can not be sanctioned.

Draft Final Note.

Subject.

Exempting police officers and men on the Kolar Gold Fields from payment of rent for Government quarters occupied by them.

The police on the Kolar Gold Fields are provided with Government quarters but the orders providing the same are silent as to whether or not any rent should be levied from the occupants. The quarters which, to begin with, were in the charge of the Police Department were occupied free of rent till 1st May 1903 when the levy of a small rent was ordered by the Deputy Commissioner with a view to provide for their upkeep and conservancy. Under this order ~~were~~ even men drawing less than Rs.15/- are paying rent.

Subsequently the Public Works Department who took charge of the buildings began to demand rents in accordance with the provisions of Government Order No.291-324-2149-82 dated 26th March 1908. Under this order persons drawing less than a salary of Rs.15 per mensem are exempted from payment of any rent, while those drawing a salary of Rs.15/- per mensem or more have to pay a rent higher

than what they were paying previously under the orders of the Deputy Commissioner.

The occupants of the buildings thereupon prayed for exemption from payment of rent. The Inspector General recommends that their prayer may be granted.

The matter was discussed in Council and they are of opinion that rent should be assessed not on salary but on pay and that enhanced rates of rent may be applied only to the men who may be posted to the Kolar Gold Fields hereafter. The opinion of the Council may be approved.

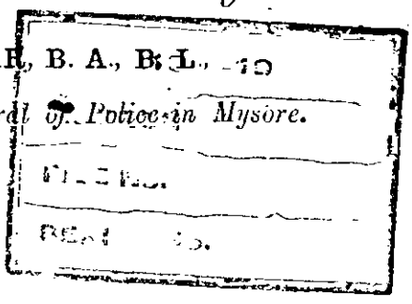
OFFICE OF THE INSPECTOR GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 9th/10 Aug. 1915.

DIARY No. J. 1402

From

Diwan Bahadur C. SRIKANTESVARA AIYAR, B. A., B. L.,
Inspector General of Police in Mysore.



To

D. M. Narasinga Rao Esquire, B.A., B.L.,
Offg. Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honor to forward herewith an application from the subordinate Police officers on the Kolar Gold Fields praying that they be exempted from paying house rent for the occupation of Government quarters there, and to state as follows:-

2. At the time of organizing the Gold Fields Police, there was absolutely no accommodation of any kind there, which was a perfect wilderness and a desolate place, and so, a lump-sum grant was placed at the disposal of the Inspector General of Police to run up lines in any way he considered best. When they were constructed they were soon found to need petty repairs &c for which there was no provision. The then Deputy Commissioner, Mr. Carr, therefore suggested the levy of an insignificant nominal house rent, which was to be utilized by themselves for meeting the petty charges of repairs &c of their buildings, and for that purpose the amount was to be at the disposal of the Deputy Commissioner. The Government while sanctioning the levy of such rent, however, directed

that the amount should be credited to the Public Works Department, as in the usual course, and thereafter the subject was lost sight of.

3. With the advancement of times and steady increase in the cost of living, specially on the Kolar Gold Fields, where the difficulties of all kinds are innumerable and unsurmountable, it was being contemplated to approach Government to exempt these hard worked Police officers from paying any house rent, when, as a surprise the Chief Engineer ordered recovery of enhanced rent, with effect from the 1st November 1913, at 10% of the salary (pay plus horse or cycle allowance) of the officers &c concerned.

This is wrong

4. The Police officers on the Kolar Gold Fields are not given any local allowance, like the officers of other Departments, and the calculation of house rent even on the horse or cycle allowance drawn by them is, I need hardly add, curious. The officers of other Departments, such as the Geological, Electrical, Medical, Postal &c, are all given rent free quarters, on the same ground that accommodation is not procurable on the Fields as elsewhere, while some of them in addition to free houses are also given special local allowances for costliness of living &c.

7C 9

1022-23
6654-5

5. Government are aware how difficult it is to get any one, either a high officer or a petty menial, to live on the Fields unless provided with house accommodation, and the Police service specially is receiving particular attention under all Administrations in this matter all over. To get the Police officers and men ready for duty at a moment's call, especially in an area like Gold Fields

it has been the policy all over, and particularly emphasized by the Police Commissions, to provide rent free houses to them, near their Stations and sphere of actions. Under such circumstances, the levy of such enhanced rent from our officers on the Gold Fields, would not only work as a great hardship and strain on their slender resources, but would also render the service very irksome and unpopular, making the recruitment not quite an easy matter. As it is, intertransfers are very difficult, many being unwilling to serve on the Fields.

6. I therefore request that you may be so good as to submit this matter for the favourable consideration of Government, and obtain their early orders exempting the Police on the Kolar Gold Fields from paying any house rent, as they are entitled, by virtue of their special calling, to free quarters.

I have the honor to be,
sir,

S. M. Pritchard, Esquire,
District Superintendent of Police,
Kolar Gold Fields.

Sir,

With reference to the recent orders regarding the levying of enhanced rent on the Quarters provided for the Police .. Officers stationed on the Kolar Gold Fields, we respectfully beg to submit the following for your kind consideration and warm .. support :--

31 MAR. 1914.

. It is admitted on all hands that living and conditions of service in this area are entirely different from those obtaining elsewhere in the Province and this in no small measure influenced our superiors in former years in fixing a nominal rent on our official quarters. We beg to submit that with the march of time, circumstances and conditions of life have considerably changed but our old scale of pay still continues. Under these circumstances even the present nominal rent is being met by us at considerable sacrifice owing to the rise in the price of foodstuffs.

The nature of our duties, as you are aware, Sir, requires us to reside in close proximity to our stations and there is no alternative for us but to live in the quarters provided although the accommodation is very limited. We are in this respect like the Medical, Jail and Detective Staffs of this Field required to live near our sphere of work but not privileged like them to reside in rent-free quarters.

It may not be out of place to mention here that in .. British India-- to take an example nearer home, the C & M Station of Bangalore-Police Officers whose scale of pay and prospects are far superior to ours, are either provided with free quarters or given a suitable house-rent allowance. We will therefore leave it to you, Sir, to decide whether we deserve the same privilege .

privilege here considering the special features of this Field and the arduous nature of our duties on it.

While we were contemplating to approach you with a request to make our official quarters rent-free, we find we are about to be burdened with a higher rate of rent. In our present condition we find it extremely difficult to make both ends meet and should the enhanced rates of house-rent, now under contemplation, be levied, need we say that our hardships will increase with it.

With your knowledge of the Kolar Gold Fields we trust you will give this matter your sympathetic consideration and if necessary represent our grievance to the Deputy Commissioner and to the Inspector-General of Police and obtain for us exemption from paying house-rent; for which act of kindness and generosity we shall ever feel grateful.

We beg to remain,

Sir,

Sir,

With reference to your letter No. J. 399/Pol. 228-15-2 dated 1st ultimo, calling for a list of Police Officers and men now paying rent for quarters occupied on the Kolar Gold Fields, I have the honor to forward herewith a copy of statement received from the Superintendent of Police, Kolar Gold Fields furnishing the required information.

The claim made for higher rate of rent by the Public Works Department under the terms of Government Proceedings No. 291-324/2149-82 dated 26th March 1908 is not admissible, because, the levy of rent from the Police of Kolar Gold Fields is governed by Special Proceedings No. Fl. 4555-7/29-07-8 dated 11th March 1908, passed only a fortnight previously, on account of the special circumstances in that exceptional locality.

Order applicable to Gold Fields.

3. Further, even under the Government Proceedings No. 291-324/2149-82 dated 26th March 1908, the Police at Kolar Gold Fields would come under the category of exemption clause 2 of paragraph 3 thereof, their quarters being in close proximity to the institutions in which they are employed.
